## About This Game

### Welcome to the Game Industry!

The year is 1982. Three young entrepreneurs discover the computer and potential to strike it rich in the Games Industry! Their love for computer games is a common bond that they all share but they are also in fierce competition with one another in a race to build a successful Games Development House...

They quickly find that the Games Development business is not as simple as it appears... Banks, Investors, Magazines, Retailers, Distributors, Manufacturers and the Press are all breathing down your neck...they want results! Do you have what it takes? You are now an up and a coming entrepreneur in the Games Business. Do you have what it takes to be the next Game Tycoon?
